

Dear FCC.

Do not lift the cross-ownership on media ownership! At a time when you should be taking steps to support a media that truly supports the democratic process by prohibiting censorship.

Lifting the cross-ownership ban to allow further media consolidation will not serve the public interest.

At a time of crisis, the dangers of such overwhelming concentration in media are more glaring than ever. The changes underway will make U.S. media even less diverse, more commercial and less accountable to the public.

Support freedom of the press, not free trade!

Sincerely, Cheryl Ross
